

North West Liveability Foundation

‘This is Our Home – North West’

North West Liveability Foundation 2010 Annual Conference

Thursday June 17th 2010

09.30am – 15:00

The Reebok Stadium, Bolton, BL6 6JW

The North West Liveability Foundation invites you to attend the 2010 Annual Conference, hosted by Keep Britain Tidy in association with the Environment Agency. The learning outcomes from the conference will be:

- Understanding how the framework of ‘This Is Our Home’ manifesto can help the North West improve local environmental quality
- Creating partnerships and hearing about ideas to make improvements and achieve efficiencies
- Looking at how individual organisations can engage with NWLF
- Learning how existing national programmes and local projects can be used to inspire young people to improve local places

Hosted by Keep Britain Tidy on behalf of the North West Livability Foundation (NWLF) in association with North West Improvement and Efficiency Partnership (NWIEP) and the Environment Agency.

North West Liveability Foundation
