

Take the pledge to #CleanSheffield

www.KeepBritainTidy.org/cleansheffield

We need your help

Sheffield is claimed to be the greenest city in Europe and Sheffield City Council is doing a lot to help keep the streets and parks clean, but unfortunately some areas still get tainted with litter. We want to go above and beyond to make Sheffield an even nicer environment for everyone to live, visit and spend time in, but in order to do this we need YOUR help.

Many businesses and community groups are already taking responsibility by keeping their areas clean, so we're calling on them and others to sign our **#CleanSheffield** pledge.

The commitment is simple but will make a big difference to a cleaner future for the city.

3 easy steps

1

Sign up to the #CleanSheffield business e-newsletter and receive the latest news and information on the campaign

2

Keep the front of your business litter free

3

Display the pledge sticker in your shop front (either as a window sticker or certificate)

And that's it!

If you're interested in joining, fill out your details on the next page and email the PDF back to us. We'll sort the rest!

For any enquiries please contact cleansheffield@keepbritaintidy.org
