

THE ENFORCEMENT ACADEMY

Course Outline

The Academy provides accredited enforcement training to the enviro-crime enforcement profession to develop a common and consistent enforcement approach across England. The Academy will also allow for recognition of professional standards provided by enforcement officers by ensuring training is relevant and knowledge and skills acquired can be applied immediately making an impact on the work of the officers.

Course Aims

- Day 1 (Unit 1) - Understand the principles and challenges of working in an enforcement role
- Day 2 (Unit 2) - Understand the principles of enforcement in practical application of issuing notices (FPN's)
- Day 3- Identify the essential requirements necessary for inviting suspected offenders to attend a voluntary interview (PACE)
- Day 4- Identify and organise practical elements of preparing for a prosecution of an offender
- Day 5 (Unit 5) - Explore the court process in simulated environment to establish confidence and awareness for authentic cases

Course Objectives

By the end of each session delegates will be able to:
