

# SCRAP METAL

## Course Outline

As part of the Keep Britain Tidy Enforcement Training suite, this course offers a day's comprehensive training on all the legal aspects and practical operations front line staff should be aware of in order to effectively carry out their role. It's delivered by our legal expert, an experienced and practicing solicitor with a strong background in environmental legislation and enforcement.

## Course Aims

This course will cover legislation applicable to scrap metal, offences and relevant enforcement.

## Course Objectives

By the end of the training candidates will be able to:

Outline the Scrap Metal Dealers Act 2013

Demonstrate competency and awareness in the following areas:

- Commencement & transitional provisions
- Documents and information for verification
- Scrap metal dealers licence
- Licence fee charges
- Offences and enforcement action

## Who would benefit from attending this course?

Anyone involved in dealing with scrap metal issues, including local authority officers and managers, environment agency staff, as well as police and enforcement officers.

## Course duration

One day

## What have others said?

*"I gained a lot from the course and felt that the trainer conveyed their knowledge and experience very well."*

Georgina Fell, Eden District Council

This course can be run in-house, or the hosting can be shared between local authorities to keep costs down.
