

Neighbourhood Community Champions

Keep Britain Tidy have worked extensively with groups and individuals in communities and with organisations across the country in neighbourhood and community activity. Drawing on our extensive research and experience, this training guides the development of local social action schemes and involvement.

This practical workshop provides delegates with ideas, tools and practical advice on how to enhance existing community involvement or start something brand new!

Course aims	Provide delegates with ideas, tools, and practical advice on how to develop their own 'Neighbourhood Champion Scheme' or community project using a 'How to' workshop approach.
Course objectives	<ul style="list-style-type: none">• Defining a scheme and developing plans for a scheme and its sustainability• Determine the needs and management systems for working with volunteers• Identify barriers and triggers for participation and ways and places to engage and recruit volunteers• Identify the practicalities of running the scheme• Develop marketing and publicity and online presence to reach a wide audience• State the tools used to record, monitor and evaluate success
Who would benefit from attending this course?	Anyone involved in working with a community in areas of neighbourhood management, resident involvement, community group leadership, community education and awareness, etc. Housing providers, local authorities, local land managers, action-

based charities and community groups may find this course highly relevant.

Course duration

A one day session for up to 15 delegates
