CHALLENGE

About the campaign

- After we rescheduled GB Spring Clean, we thought about what we could do instead.
- By loving where we live we're also caring about ourselves and the planet too.
- We can all do some simple things that are good for us and good for the planet.
- And you can do this from the comfort of your own home!
- Campaign will run throughout the time we're self-isolating.

How to get involved:

- We want you to share a vlog, short video, photo or illustration of your how you're making the most of your time inside and loving where you live!
- Be as creative as you like!
- On Instagram & Twitter
- Hashtag: #LoveWhereYouLive & @KeepBritainTidy
- Tag a friend to get involved
- We'll share our favourites

littleplasticfootprint Do you compost your food scraps?

In Calgary we have an excellent green bin system that accepts pretty much any type of food waste (including chicken bones, etc).
