

 **recycle for your community**

Barking & Dagenham | Havering | Newham | Redbridge

Schools Programme

Key Stage 1 Workshops

Free support to help schools in Barking and Dagenham, Havering, Newham and Redbridge to **Reduce, Reuse** and **Recycle** waste through interactive curriculum linked sessions and assemblies. All sessions can be bespoke to your school.

Visits take place at your school to find out more or to check availability please contact the Education &

Engagement Officer on:

RecycleFYC@keepbritaintidy.org

Workshops

Key Stage 1

The 3Rs (1 hour)

Reduce, Reuse, Recycle. Why is this important? We explore where our rubbish goes and how it harms our world. And discover different objects that have been made from reused waste.

Composting (1 hour)

Discover how compost is made and who lives in the compost bin. Plant cress seeds in compost to see how they grow.

Marine Storytime (1 hour)

Join our Education & Engagement officer for an eco-themed story session by Georgina Stevens! During the session the children will be able to learn about how we can care for our world through recycling.
